Local Government Elections in Tasmania

Tasmania's local government elections were held in September-October 2014. These were the first all-in, all-out elections conducted since the enactment on 20 June 2013 of the *Local Government Amendment (Elections) Act 2013* and the making of the *Local Government (Number of Councillors) Order 2013*, the *Local Government (Number of Councillors) Order 2014* and the *Local Government (Elections) Order 2013*.

The effect of these was to defer the elections, originally scheduled for 2013, until 2014 when all councillors and aldermen, and mayors and deputy mayors, would be elected for a four year term ending in 2018. The terms of office of councillors elected in both 2009 and 2011 ended in 2014.

There was also a reduction in the number of councillors or aldermen to be elected to nine councils in 2014 (see statewide *Local government election report 2014* for further details).

The Tasmanian Electoral Commission (TEC) supervises the conduct of elections in accordance with the *Local Government Act 1993*. Elections by postal ballot have been held approximately biennially since 1994, with the next quadrennial elections due in October 2018.

Candidate information booklets and complete election results for the state are available from the TEC and are posted on the TEC website www.tec.tas.gov.au.

Casual vacancies for councillor/alderman

Casual vacancies are filled by recount where possible, unless the vacancy occurs within 6 months of a forthcoming election. Only unelected candidates from the relevant election may contest a recount. If a recount is not possible, a by-election is held. A candidate elected at a recount or by-election serves until the next council election.

Elector polls

A council may hold an elector poll on any issue it determines. It may also be required to hold an elector poll following petitions from electors in accordance with Part 6 of the Act. A council is not bound by the result of an elector poll.

Electoral system

Voting in Tasmanian local government elections is not compulsory.

Elections for councillor positions are conducted using a system modelled on the Hare-Clark method of proportional representation used in Tasmanian House of Assembly elections.

Mayoral and deputy mayoral elections use a preferential system similar to that used for Tasmanian Legislative Council and federal House of Representatives elections.
