

Dorset by-election postal votes rolling back in

All Dorset Council electors should now have received their by-election postal ballot packs. Dorset electors who haven't received their ballot packs should give us a call on 1800 801 701 so that we can send replacement material in plenty of time.

As of this afternoon, 11.23% of electors had returned their postal vote.

Deputy Electoral Commissioner Andrew Hawkey encouraged voters to return their ballot papers as soon as possible. "The poll closes at 10:00 am on Tuesday 28 July, and late votes won't be counted."

ENDS — 3:00 pm Friday 17 July 2015
