It would be a privilege to represent the municipality of Glamorgan/Spring Bay as an independent member. I would advocate for open and inclusive governance, with improved communication between Council and the community one of my highest priorities. I make no promises, but to examine Council issues with due diligence. I believe mutual respect is essential, and a keen sense of area history is critical when examining future Council matters. I am opposed to forced Council amalgamation. Please consider a number 1 vote for both positions, and be part of a vibrant and progressive Council.

I believe that our greatest ambassadors are the everyday people who go about their lives and work, creating great experiences for visitors and residents.
