I am your fresh, new voice for the Central Coast Council. I'm a wife & mother of 2 children and am proud to say I have lived on the Central Coast for 16 years. I'm a business owner, nutritional health coach, and member of 'Central Coast Chamber of Commerce'. I've always been interested in preventative health, small business, the environment, the needs of our seniors and a sustainable, strong agricultural industry.

Listening is my strength, along with passion, strong ethics and a balanced, practical, common-sense approach. I pride myself on working efficiently and my strong sense of community.

BESWICK, John

I have lived in Ulverstone all my life & I would be privileged to represent you on Council. I run a building business & have been on the Board of Master Builders Tasmania & National Housing Committee. With my experience along with planning, engineering etc. I hope to alleviate problems on public buildings & road infrastructure where material choice & design could be better. This causes extra cost on rectifications & alterations & in most cases can be avoided then funds can be used for other community projects. I am passionate about Central Coast & if elected will be a strong practical voice.

I served for 10 yrs as a Central Coast Councillor, missing only 1 meeting. I presented many more notice of motion ideas than other Councillors. I am Past President of 8 organisations and hold 5 Life Memberships. We raised 5 children, who have all contributed significantly to our community.

I am a retired successful Jersey cattle breeder, so I understand the farmers' needs. There is much to do, in better use of the Leven River, further development of the Dial Range Sports ground seating and widening of Westella Drive to improve traffic flow. I respectfully ask for your vote today to do that.

I am married with 3 children which have attended schools in Ulverstone and I am passionate about this place we as a family call home. This is my first time standing and if you choose to elect me I will work hard for the betterment of all in our community.

Live, work, play and retire in the best communities that make up Central Coast. This is my vision. My passions lie in growth for rural industries, small business, tourism and the care, education and well being of our youth and elderly.

As a current Councillor and Deputy Mayor, with your vote, I can continue to represent all people in our progressive and team oriented Council. Councils make mistakes, but with strategic, community minded, long term planning we will strive to achieve better outcomes, which I know will improve everyone's experience whilst within Central Coast.

I am proudly standing for the Central Coast Council to continue making a positive contribution to our community.

Along with maintaining and improving some of our amazing facilities and parks, I believe that it is now time to celebrate an inclusive and diverse community. This will ensure our beautiful municipality is a vibrant and a caring community for our elderly to feel invigorated; our youth appreciated; and our families nurtured. Our Central Coast is a place we can all be proud of and enjoy. I would dearly appreciate your support and the opportunity to represent you once again.

Well known as “Chook”, I am a 54yo average, still-working resident of the Central Coast and was brought up in Penguin, so I would be proud to work for the people of the Central Coast area from the Blythe River to the Forth and well into the country beyond the townships.

I'm a married 28 year old with 2 young children. My wife and I come from strong Central Coast rural backgrounds. I will bring a youthful perspective to the Council, knowing decisions I make will impact not only my family but everyone.

You can count on me to fight for the people on issues that are important. Issues such as supporting local industry to let the community thrive; being accountable to rate payers to ensure Council policy does not increase rates unnecessarily; listening to rate payers and working within regulations to assist them along with other issues that the community raises.

I am a 36 year old father of two boys looking to bring a fresh change to the current Council. I respectfully listen and I will be a strong voice for the people. Developing sporting and recreational facilities, infrastructure and modern amenities will be a major focus. Maximising and enhancing the tourism potential of our region is vitally important to me, along with supporting the development of our local business and agricultural districts. I will be focusing on the Council being financially responsible and making sure the entire region benefits from the Council's resources.

JORDAN, Lynette

Having the honor of living my life in the Central Coast community and also raising my three amazing children here, has given me the passion and enthusiasm to work for our people in providing a greater region and an even brighter future.

Challenging and rewarding employment opportunities have broadened my knowledge immensely in what keeps our community alive. My focus will be to encourage support of local business, to keep families safe in our community and to listen to and act on the needs of our locals. To achieve these results and more I would welcome your number one vote.

KURRLE, Dianne

Candidate for Councillor

I live in Ulverstone and was educated locally. I recently retired from our business Carpets Central, which my husband and I turned into a successful business. I am now able to devote the time needed to be a hardworking Councillor. What's not to love about our region, we have great facilities which we need to continue providing and maintaining and at the same time keeping ratepayer costs to a minimum. Give me the opportunity to represent you in shaping the future of and improving lives within our community.

I am seeking your number 1 vote so I can be your voice. Please vote 1 Dianne Kurrle.

I stand for equality, the welfare and well-being of all our community members. I know if we want to see a change occur then we must be prepared to become an integral part of that change.

The Central Coast region is very much an essential part of who I am, and I am blessed to have grown up in the region. Now, a father and an active member of the community, I am happy at this time to offer my assistance within the Central Coast Council region.

VAN ROOYEN, Tony

Candidate for Councillor, Mayor

I have been privileged to serve and represent you on Council during a time of substantial growth and development in the municipality. There is more to be done and I would like to continue to be part of the decision making process. I am active in debate on Council, asking the hard questions so that I am informed before making a decision. I am pro development but take into account the effect it may have on people and their lifestyle. I am experienced but certainly not stale and would welcome the opportunity to serve you as Mayor.

VINEY, Philip

Cooperation between Council & community is the key to preserving our area's local natural beauty, harnessing business culture & growing agricultural industry. I am committed to providing a platform to assist everyone to engage & prosper.
